BEFORE INSTALLATION: CHECK ALL PARTS OF PRODUCT THOROUGHLY. INSTALLATION IS ACCEPTANCE OF GOODS AND WILL VOID WARRANTY. MIRRORS ARE FRAGILE. TAKE EXTRA CARE WHILE TRANSPORTING AND HANDLING GOODS.

Mirror Components

Installation

Mirrors must be installed by a licensed electrician in accordance with local regulations. Ensure mains power has been turned off before installation. Do not install within 1.2 metres of direct wet area contact (e.g. bath or open shower).

NOTE: Mounting screws and anchor plugs are included. It is recommended that the mirror is installed onto a flat uniform wall, and must be screwed into studs or suitable anchors.

Warning

- Please read the instructions carefully before installing the product and ensure this document is kept with the product for future reference to ensure product longevity and in the interest of safety.
- If any modification is made, it will invalidate the warranty and may render the product unsafe.
- This product is designed for installation into a drywall, if mounting onto other substrate ensure appropriate fixing and batons (if required) are used and the load bearing of the wall is sufficient.
- This product is IP44 rated and suitable for installation in Zones 2 and outside Zones 0 & 1 according to the wiring rules.
- It is not suitable for use in saunas, steam rooms and shower cubicles.
- Appropriate circuit protection should be available for the products.
- Take suitable precautions when handling products.
- Do not install and/or use if product is broken or unsafe.
- Always switch off the electrical supply at the mains during installation and maintenance.
- The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.
- If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.

Australian Consumer Law

Our products include guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure upon inspection by an authorised representative where a product is found to be defective in construction, material or assembly. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure, free of charge.

Warranty Conditions

- Installation has been carried out by a licensed tradesperson in accordance with all applicable Building, Plumbing and Electrical codes, and Federal, State, or Local Government Regulations in accordance with AS/NZS 3500 Plumbing & Drainage, AS/NZS 6400 Water Efficient Products, and AS/NZS 3000 Electrical standards for any installations to which these standards apply.
- All maintenance and adjustments to the product after the installation have been carried out by a licensed tradesperson.
- All care and cleaning instructions have been adhered to as prescribed.
- All goods of substandard quality manufacture (excluding imperfections permitted within AS1976 - Vitreous China used in Sanitary Applications) will be credited or replaced by Fienza when advised within the warranty period, subject to prior inspection and agreement.
- Proof of purchase is required for warranty claims.

Warranty Limitations

To the extent permitted under the Trade Practices Act and other relevant legislation, Fienza's liability is limited to: the cost of replacing the goods; or, the cost of obtaining equivalent goods; or, the cost of having the goods repaired. Fienza is not responsible for any lack of operation or performance of goods (or any loss or damage) where goods are used or adapted for use with other goods not supplied by Fienza. It is the responsibility of the customer and installer before installation to ensure that all components are correct and free of obvious visible faults. Fienza is not responsible for the labour and rectification costs incurred in this circumstance.

Conditions for On-Site Warranty Service Calls

Fienza will charge a service fee for each visit to an installation by its technician where it is determined that the fault is due to poorly executed or unlicensed installation work or where the product is not a genuine Fienza product or where the product is outside the warranty period. This may be paid in advance by credit card over the phone to a Fienza technician attending the site and will be refunded if the Fienza product is found to be at fault.
