BENEATH THE SURFACE

Why it lasts

01

DZR brass, made to resist

Machined from DZR (dezincification-resistant) brass — it won't corrode, pit or weep at the wall the way ordinary fittings do in a wet, steamy bathroom.

02

A finish guaranteed for life

Bonded to the brass by physical vapour deposition, the brushed copper resists tarnish, scratching and fade — and it's backed, in full, by a lifetime finish warranty.

03

Fixed firm to the wall

Mounted on concealed fixings that hold it dead-level and never work loose — solid and quiet against the wall for years.

Lifetime Warranty

FINISH INCLUDED

Built to be the last one you buy. Every Milan accessory carries a 1-year parts & labour warranty, backed by a lifetime replacement warranty that includes the finish itself — the brushed copper is guaranteed not to wear away.

CARING FOR IT

- A soft, damp cloth is all it needs
- No abrasive pads, acidic or solvent cleaners
- No polishes or coatings — the finish does the work

PART OF THE MILAN COLLECTION

The Milan range runs the full bathroom — basin and wall mixers, a 2-in-1 shower, kitchen mixers, towel rails and accessories — every piece in the same brushed copper finish, so nothing in the room is left to chance.

One silhouette. Seven finishes. Every room.
