BENEATH THE SURFACE

Why it lasts

01

Solid, lead-free brass

Machined from solid, lead-free brass — the weight and integrity to last decades, not seasons, and certified safe for the water you drink and cook with.

02

A finish guaranteed for life

Bonded to the brass by physical vapour deposition, the brushed nickel resists tarnish, scratching and fade — and it's backed, in full, by a lifetime finish warranty.

03

European cartridge control

A precision European cartridge gives smooth, weighted control and a clean, drip-free shut-off that feels the same thousands of uses later.

Lifetime Warranty

FINISH INCLUDED

Built to be the last one you buy. Every Milan mixer carries a 1-year parts & labour warranty, backed by a lifetime replacement warranty that includes the finish itself — the brushed nickel is guaranteed not to wear away. Rated WELS 5 Star at just 6.0 L/min, it's as efficient as it is enduring.

CARING FOR IT

- A soft, damp cloth is all it needs
- No abrasive pads, acidic or solvent cleaners
- No polishes or coatings — the finish does the work
