BENEATH THE SURFACE

Why it lasts

01

Solid brass, built to last

The slide rail is machined from solid brass — the weight and integrity of real metal, and the corrosion resistance for a constantly wet zone.

02

A finish guaranteed for life

Bonded to the surface by physical vapour deposition, the brushed nickel resists tarnish, scratching and fade — and it's backed, in full, by a lifetime finish warranty.

03

Set to suit everyone

The hand shower glides up and down the rail and holds at any height — comfortable for the whole household, and easy to lift off for a rinse.

Lifetime Warranty

FINISH INCLUDED

Built to be the last one you buy. Every Milan shower carries a 1-year parts & labour warranty, backed by a lifetime replacement warranty that includes the finish itself — the brushed nickel is guaranteed not to wear away. Rated WELS 3 Star at 9.0 L/min, it pairs a generous flow with everyday efficiency.

CARING FOR IT

- A soft, damp cloth is all it needs
- No abrasive pads, acidic or solvent cleaners
- No polishes or coatings — the finish does the work

PART OF THE MILAN COLLECTION

The Milan range runs the full bathroom — basin and wall mixers, a 2-in-1 shower, kitchen mixers, towel rails and accessories — every piece in the same brushed nickel finish, so nothing in the room is left to chance.

One silhouette. Six finishes. Every room.
