ONE SILHOUETTE · SIX FINISHES

BENEATH THE SURFACE

Why it lasts

01

Solid, lead-free brass

Machined from solid, lead-free brass — the weight and integrity to last decades, not seasons, and safe in everyday contact with your water supply.

02

A finish guaranteed for life

Built up over the brass in multiple plated layers, the matte black resists tarnish, scratching and fade — and it's backed, in full, by a lifetime finish warranty.

03

European cartridge control

A precision European cartridge gives smooth, weighted control of temperature and flow, with a clean shut-off that feels the same thousands of uses later.

Lifetime Warranty

FINISH INCLUDED

Built to be the last one you buy. Every Milan mixer carries a 1-year parts & labour warranty, backed by a lifetime replacement warranty that includes the finish itself — the matte black is guaranteed not to wear away. Behind it, a precision European cartridge controls temperature and flow with a smooth, drip-free action, year after year.

CARING FOR IT

- A soft, damp cloth is all it needs
- No abrasive pads, acidic or solvent cleaners
- No polishes or coatings — the finish does the work

PART OF THE MILAN COLLECTION

The Milan range runs the full bathroom — basin and wall mixers, a 2-in-1 shower, kitchen mixers, towel rails and accessories — every piece in the same matte black finish, so nothing in the room is left to chance.

One silhouette. Six finishes. Every room.

Ovia · Milan Collection

Solid brass, precision cartridges and finishes guaranteed for life — every piece built to be the last one you buy.
