BENEATH THE SURFACE

Why it lasts

01

One lever, full control

The wall mixer runs on a precision European cartridge — smooth, weighted control of temperature and flow from a single lever, with a clean, drip-free shut-off.

02

A finish guaranteed for life

Bonded to the brass by physical vapour deposition, the brushed nickel resists tarnish, scratching and fade — and it's backed, in full, by a lifetime finish warranty.

03

Pure delivery, no compromise

The downturned spout is machined from DZR (dezincification-resistant) brass — no moving parts, just a clean pour, and a body that won't corrode or break down under constant contact with water.

Lifetime Warranty

FINISH INCLUDED

Built to be the last one you buy. Every Milan fitting carries a 1-year parts & labour warranty, backed by a lifetime replacement warranty that includes the finish itself — the brushed nickel is guaranteed not to wear away. Rated WELS 5 Star at just 5.5 L/min, it's as efficient as it is enduring.

CARING FOR IT

- A soft, damp cloth is all it needs
- No abrasive pads, acidic or solvent cleaners
- No polishes or coatings — the finish does the work

PART OF THE MILAN COLLECTION

The Milan range runs the full bathroom — basin and wall mixers, a 2-in-1 shower, kitchen mixers, towel rails and accessories — every piece in the same brushed nickel finish, so nothing in the room is left to chance.

One silhouette. Six finishes. Every room.

Ovia · Milan Collection

Solid brass, precision cartridges and finishes guaranteed for life — every piece built to be the last one you buy.
