CHECK GOODS THOROUGHLY BEFORE INSTALLATION

Installation of received goods that are damaged, warped or faulty will void warranty. Ensure all items meet your plumbing requirements.

PLEASE LEAVE THIS GUIDE WITH THE OWNER

Standard Seat

Slim Seat

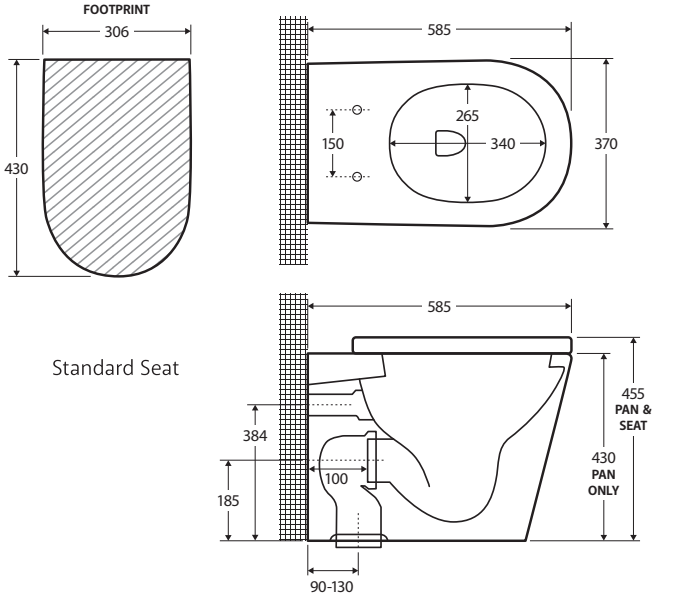

All installations should be carried out by a qualified tradesman in compliance with the National Plumbing & Drainage Code and any State or Local Authority Regulations, in accordance with AS/NZS 3500 series of standards and AS/NZA 6400. All measurements are in millimetres and are subject to change without notice. For ceramic products, please allow +/- 10 mm tolerance for manufacturing variance. Please refer to fienza.com.au for the latest product specification.

Installation Notes

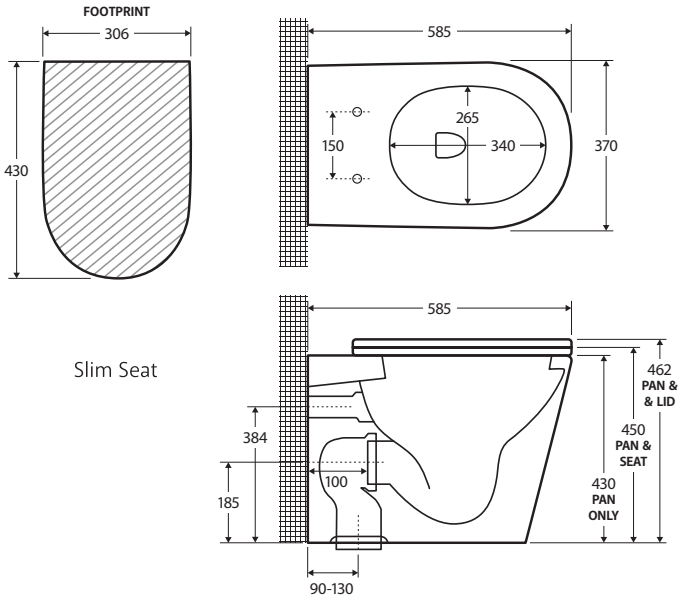

Please consult the installation guide supplied with your chosen in-wall cistern to install this toilet suite.

The technical drawings opposite provide relevant dimensions for installation.

IMPORTANT:
When marking inlet positions, please note that dimensions provided are from finished floor and wall levels (e.g. finished tile surfaces).

Standard Seat

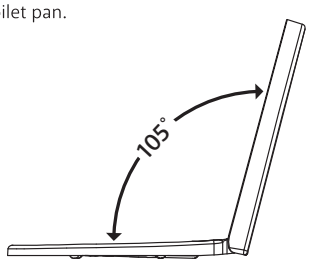

Slim Seat

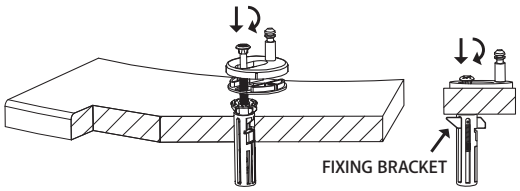

All installations should be carried out by a qualified tradesman in compliance with the National Plumbing & Drainage Code and any State or Local Authority Regulations, in accordance with AS/NZS 3500 series of standards and AS/NZA 6400. All measurements are in millimetres and are subject to change without notice. For ceramic products, please allow +/- 10 mm tolerance for manufacturing variance. Please refer to fienza.com.au for the latest product specification.

Seat Installation

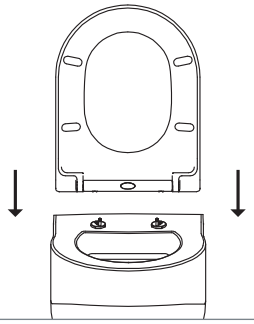

1. Take care not to open the lid past 105° before it is fixed to the toilet pan.

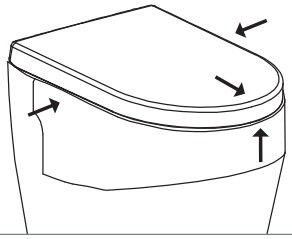

2. Remove the screw from the hinge plug, taking care to keep the brass nut inside the plug. Arrange the components as shown in the diagram. Screw into place. The fixing bracket in the plug will automatically move into the horizontal position for a secure fit.

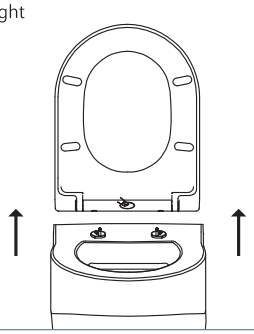

3. Push toilet seat onto fixings.

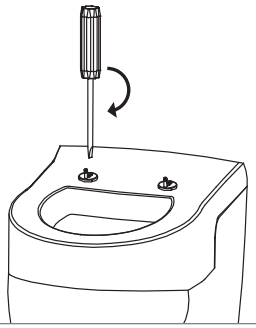

4. Adjust to fit ceramic well.

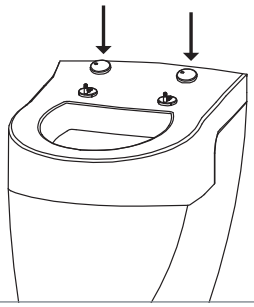

5. Push button and lift seat straight up to remove.

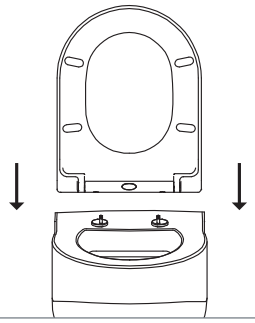

6. Tighten the screws.

7. Fix hinge covers over hinges.

8. Replace the seat.

All installations should be carried out by a qualified tradesman in compliance with the National Plumbing & Drainage Code and any State or Local Authority Regulations, in accordance with AS/NZS 3500 series of standards and AS/NZA 6400. All measurements are in millimetres and are subject to change without notice. For ceramic products, please allow +/- 10 mm tolerance for manufacturing variance. Warranty Conditions

- Installation has been carried out by a licensed tradesperson in accordance with all applicable Building, Plumbing and Electrical codes, and Federal, State, or Local Government Regulations in accordance with AS/NZS 3500 Plumbing & Drainage, AS/NZS 6400 Water Efficient Products, and AS/NZS 3000 Electrical standards for any installations to which these standards apply.
- All maintenance and adjustments to the product after the installation have been carried out by a licensed tradesperson.
- All care and cleaning instructions have been adhered to as prescribed.
- All goods of substandard quality manufacture (excluding imperfections permitted within AS1976 - Vitreous China used in Sanitary Applications) will be credited or replaced by Fienza when advised within the warranty period, subject to prior inspection and agreement.
- Proof of purchase is required for warranty claims.

Warranty Limitations

To the extent permitted under the Trade Practices Act and other relevant legislation, Fienza's liability is limited to:

- The cost of replacing the goods, or
- The cost of obtaining equivalent goods, or
- The cost of having the goods repaired
- Fienza is not responsible for any lack of operation or performance of goods (or any loss or damage) where goods are used or adapted for a with other goods not supplied by Fienza.
- It is the responsibility of the customer and installer before installation to ensure are correct and free of obvious visible faults.
- Fienza is not responsible for the labour and rectification costs incurred in the above circumstance.

Conditions for On-Site Warranty Service Calls

Fienza will charge a service fee for each visit to an installation by its technician where it is determined that the fault is due to poorly executed or unlicensed installation work or where the product is not a genuine Fienza product or where the product is outside the warranty period. This may be paid in advance by credit card over the phone to a Fienza technician attending the site and will be refunded if the Fienza product is found to be at fault.

Cleaning & Operation

- The toilet seat may be removed for cleaning - depress the chrome hinge release buttons and lift up.
- Clean only with a soft cloth or sponge using warm water and mild soap or detergent. Do not use any abrasive cleaning materials.
- Do not use any solvents or corrosive liquids.
- Note that use of clip-on deodorisers will affect flushing performance on rimless suites.

All installations should be carried out by a qualified tradesman in compliance with the National Plumbing & Drainage Code and any State or Local Authority Regulations, in accordance with AS/NZS 3500 series of standards and AS/NZA 6400. All measurements are in millimetres and are subject to change without notice. For ceramic products, please allow +/- 10 mm tolerance for manufacturing variance. Please refer to fienza.com.au for the latest product specification.
