Curved

SOLID SURFACE, VANITY TOP, 900 MM

- 20 mm thick, 465 mm deep
- Made from velvet-smooth solid surface material (100% silica free)
- Non-porous surface with higher stain resistance than natural stone
- Resistant to heat, chemicals, moisture, chips and cracks
- Hygienic, easy to clean and maintain
- Can easily be repaired if scratched
- Patterns may vary in appearance like natural stone
- Warmer to touch when compared to engineered stone
- Basin hole suits Fienza basins: Sarah Semi Inset (RB4071), Kados Semi Inset (CSB05), Koko Undermount (RB561) & Sarah Undermount (TR4070) – tap hole cuts may attract additional charges

Please note:
Suits MINKA and MILA curved vanity cabinets only.

Available in

532-162

Moonscape
533-162

Cleaning & Care

- Wipe with a clean, soft cloth and mild soapy water or non-abrasive bathroom cleaner. Test in an inconspicuous area before cleaning the whole top.
- Avoid placing hot objects, such as hair straighteners, on any surface as these will cause discolouration and marking.
- Spills of hair dye, after-shave lotion, nail polish and remover, aerosol spray and other harsh chemicals should be removed immediately to prevent damage and discolouration. Clean immediately with mild soapy water using a clean, soft cloth.

We aim to ensure that specifications are correct at the time of publication. All measurements are shown in millimetres. Always use measurements of actual product received for final specification as the technical drawing may contain differences. Due to printing limitations, physical colour may vary from the image shown. Fienza reserves the right to make modifications without prior notice.
