# Nero

2020  
Product Catalogue

---

At Nero Tapware,  
Beautiful, Stylish and  
functional tapware  
and fittings are our passion.

We believe in helping homeowners create contemporary and stylish bathroom, kitchen and laundry spaces that they can be proud of, and are dedicated to bringing consumers thoughtfully designed, well-crafted and high quality products that will meet every heart's desire.

Today, as one of Australia's leading manufacturers of mixer taps, tapware, showers, bath fillers, laundry fittings and kitchen accessories, Nero Tapware has certainly established its place in the market.

Our mission is simple: we want to provide Australian households and families with stunning, excellent quality yet reasonably priced tapware and other bathroom, kitchen and laundry fittings – and we work very hard to achieve that.

To create our constantly evolving range of products, our designers are continually keeping abreast of the modern designs, strong features and contemporary elements that are the focal point of every single one of Nero Tapware's models.

Our vast range of products and collections, designed by our in-house team right here in Australia, are on-trend yet reliable, stylish yet able to meet the practical needs of property owners all across the country.

More importantly, all Nero Tapware products are certified to Australian Standard AS 3718 and comply with the Australian Government's WELS scheme – so you can rest assured that you are not only buying a piece of style, but also getting a quality product that you can depend on.

- Matte Black
- Gun Metal Grey
- Brushed Nickel
- Chrome
- Rose Gold
- Brushed Gold
- White

All Water Efficiency Labelling and Standards (WELS) ratings can be found in accordance with the standards put in place by [www.waterrating.gov.au](http://www.waterrating.gov.au)

# Mecca Range

---

Mecca is Nero's latest series launched in 2020. The minimalist design structure promotes Mecca's style and simplicity.

The products feature a demonstration with a sense of elegance and an artistic temperament matching the current bathroom space design trend perfectly.

The Mecca series provides the 5 most popular finishes and a more complete range for individual choice. Additionally, we support 2 years labor warranty & service to create a wonderful brand experience for our customers.

# Bianca Range

---

Bianca is one of our most versatile collections, with a sleek, stylish design that would fit right into any contemporary bathroom, kitchen or laundry. These elegant mixer taps also come in the widest range of colours available in any of our collections, including black, chrome, rose gold, gunmetal grey and brushed nickel.

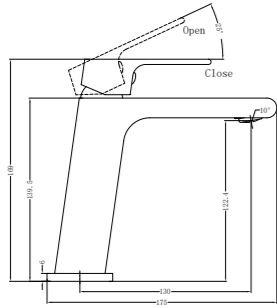

The Bianca collection carries many of our most popular product features, including water saving benefits, the reputable brand of Neoperl aerators, and a coin-operated function that allows users to remove the tap filters for cleaning using just a simple coin.

# Pearl Range

One of our newest collections, the Pearl range of products is a throwback to those years when three-piece tapware was the norm. Combining the functionality of separate hot and cold water taps with contemporary, stylish designs, Pearl is a unique blend of old meets new.

Updated in today's most popular colours including brushed brass, brushed rose gold and gunmetal grey, the collection is sure to please even the most discerning style palette.

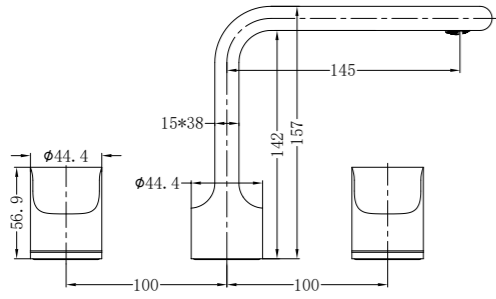

Continuing Nero Tapware's commitment to producing only the highest quality tapware and accessories, the Pearl collection carries many of our key product features, including water saving functions, the reputable brand of Neoperl aerators, and a coin-operated feature that allows users to remove the tap filters for cleaning using just a simple coin.

# Kara Range

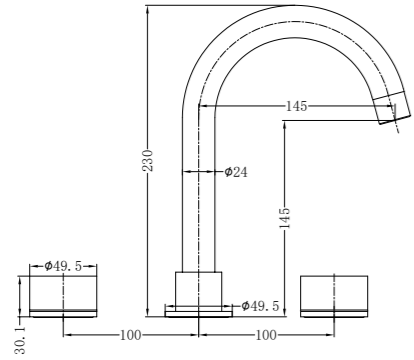

Available in a range of colours including black, brushed nickel and natural brass, the Kara range of tapware combines the separate hot and cold water tap design of old with a stylish, contemporary look that is right on trend. The result is a unique blend of old meets new that is sure to add a designer touch to any space.

Like all of our tapware, the Kara range carries a water saving feature to minimise water wastage. It also has the "quarter turn" function, setting it apart from some of the older designs, and comes with the reputable brand of Neoperl aerators.

# Celia Range

With its strong edges and streamlined design, the Celia collection will add a trendy touch to any bathroom, kitchen or laundry space. Its well-defined edges and elegant curves are perfectly complemented by the gorgeously rounded taps for a look that is luxurious and modern.

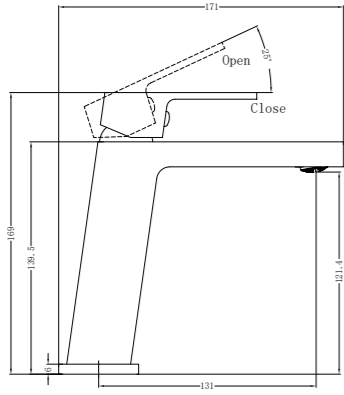

Here at Nero Tapware, our designers work hard to understand current trends and the evolving needs of Australian families and property owners. In addition to updating existing designs, we also make it a point to stay abreast of industry developments in order to give our customers the best product we can offer. Like all of our collections, our Celia range also comes with a water saving feature to minimise wastage.

# Dolce Range

---

Simple and classic without compromising on style, our Dolce collection is one of our most popular – and for good reason. Providing consumers with a beautifully designed, high quality option that is also affordable, the Dolce collection is our way of ensuring that Australian households, rental properties and commercial ventures are able to stay on trend without blowing the budget. You won't get a better-looking product that will give you equal value for money...

# Kitchen Range

---

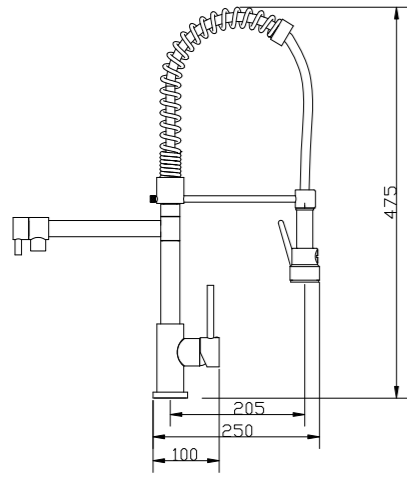

Taking our range of tapware and kitchen accessories to another level is the Kitchen collection, which has been designed specifically to complement and enhance your kitchen space.

With contemporary designs that embrace the latest trends and technology in kitchen tapware, such as mixer taps, water saving features and pullout sprays, our Kitchen range is versatile, user friendly and high functional. We believe in good-looking taps and kitchen accessories that are reliable and high quality, as your kitchen should not only look great but work great too.

# Shower Range

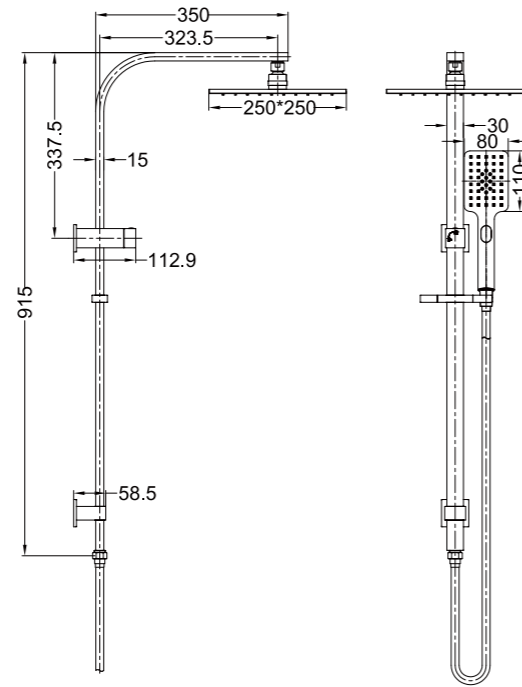

Explore the potential and many possibilities that your bathroom holds with our Shower range. Here at Nero Tapware, offering our customers a wide array of products that will suit different needs is a top priority. The requirements of different families – and indeed different types of property – will not all be the same.

With our Shower collection, there is sure to be something to suit your needs. From straightforward shower columns to handheld showerheads, from simple designs with just a shower rail to detachable shower arms and showerheads – whichever you choose, you can rest assured that you are getting a quality product that you can depend on.

All of the products in our Shower collection are made of solid brass, and they also come with water saving features to minimise wastage and keep those water bills to a minimum.

## Note:

Cartridge replacement excludes damage to Ceramic discs from pieces of copper tube, plastic, sand, dirt or thread tape etc.

Pull-out nozzle and hose 1-year parts only.

In addition to the guarantees under the Australian Consumer Law, Nero tapware warranty periods apply to products purchased after 20th November 2014

For all Service Enquiries contact below

Tel: 03 87863170 Email: warranty@nerotapware.com.au Fax: 03 87863175

Warranty shall be voided for the following reasons:

- Inability to provide proof of purchase or equivalent documentation.
- Products not installed by a licensed plumber.
- Products not to relevant National Standards and State Regulations.
- Products not installed in accordance with the manufacture's installation instructions.
- Products exposed to environmental elements.
- Tapware exposed water pressures and or temperatures that exceed stated limitations.
- MAXIMUM: Temperature -75 degrees & Pressure -500kPa  
MINIMUM: Temperature -1 degree & Pressure -150kPa (300kPa for shower/Bath Diverters)
- Note: AS/NSZ 3500.1-2003(Clause 3.3.4) specifies 500kPa maximum water supply pressure at any outlet within a building for new installations.
- Showers may not be suitable for use within:
- Gravity fed water systems
- Some instantaneous hot water systems.
- Pressure supply less than 150kPa.
- Note: The 500kPa maximum water supply pressure does not apply to fire service outlets.
- Fitting of other devices to the outlet of tapware, eg. water filters
- Fitting of Nero non-approved water flow regulating devices.
- Fitting of other devices to outlet of tap, eg. water filters
- Non-installerion of flow regulated check valve for hand showers
- Products used for incorrect applications, non-potable water etc.
- Damage as a result of obstructions due to inadequate flushing of system before use.
- Service repairs or with non-standard replacement parts previously undertaken without Nero written approval.
- Damages to finished which arise from installation or post installation use.
- Failure to observe manufacturers care and cleaning instructions.
- The warranty work is limited to the pre-approved scope of work. Additional work will require authorisation from Nero After Sales & Services Departments.
- Evidence cannot be produced which confirms that the relevant product was purchased from a Nero Tapware authorised distributor.

## Warranty Conditions

Nero Warranty covers the repairs or, at Nero option, the replacement of any products which are defective through faulty workmanship or materials.

The warranty period commences from date of purchase or for new buildings date of handover to a maximum period 6 months. The warranty period for replacement products is limited to the expiry date of the original purchase. The warranty is limited to the original purchaser and non-transferable. In order to make a warranty claim, Proof of Purchase (POP), handover documentation for new homes or equivalent documentation must be supplied for warranty claims to be considered. Claims must be processed through Nero Customer Service and each credit claim will be issued with a claim number which is recorded on the Nero systems.

Nero will not be liable for any claims for labour, additional products or parts associated with alleged faulty product for work not approved in advanced by Nero in writing.

Should any warranty claim be made and attended to by a Nero authorised Service Agent and that in the opinion of Service Agent or Nero the problem was from faulty installation or use of the goods in conjunction with products of another manufacturer or from some other cause other than a manufacturing defect to the goods for which Nero is responsible, Nero has the right to charge a service fee for each service staff attending the Owner's premises where goods have been installed.

Nero requires adequate access to products, fitting and fixtures to undertake warranty repairs. Nero will not be responsible for any consequential damage or costs where adequate access to Product fitting and fixtures is not accessible.

## Tapware and Accessories – Care and Cleaning Instructions

Under no circumstances should you install tapware using acetone silicones.

Never use harsh detergents or abrasive cleaners, as these will scratch the surface.

Where your tapware remains dry in use, a soft cloth can be used to remove surface dust. Alternatively, a wipe over with warm soapy water is all that is required to maintain the finish in perfect condition for a lifetime of use.

Use of wax based furniture cream should be avoided as these can result in a build-up of deposits, which could detract from appearance.

Do not use undue pressure and wipe in one direction only.

Note: This is a summary of the Nero warranty offer for Australian installed products. Some additional terms and conditions may apply. Nero reserve the right to alter, or amend this warranty offer in writing at any time. Nero reserves the right to provide minor components (eg. handles, aerators, buttons, dress rings, hinges, clips, rod and washers) as "parts only" to the customer.

## Consequential Loss

Nero obligations under warranty are limited to the repair or, at Nero option, replacement of any products which are defective through faulty workmanship or materials. To the extent permitted by law, Nero will not be liable for any loss or damage to any furniture, floor coverings, walls, fixtures or any consequential loss of any kind caused by any defect in the product component.
